NOTICE OF TRUSTEE'S SALE
T. O. No. 35-1522
On FRIDAY, AUGUST 30, 1935, at 11:00 A. M., TITLE INSURANCE AND TRUST COMPANY, as Trustee under and pursuant to Deed of Trust dated January 19, 1929, executed by JOE H. KRUGER, a single man, and recorded January 22, 1929, in Book 8919, Page 240, of Official Records in the office of the Recorder of Los Angeles County, California, will sell at public auction to highest bidder for cash (payable at time of sale in lawful money of the United States) in the lobby of the main entrance of Title Insurance Building, 433 South Spring Street, Los Angeles, California, all right, title, and interest conveyed to and now held by it under said Deed in the property situate in the City of Torrance, in said County and State, described as:

The Westerly 60 feet of the Southerly 20 feet of Lot 15, and the Westerly 60 feet of Lot 16, Block 61, Torrance Tract, as per map recorded in Map 22, Pages 94 and 95 of Books in the office of the County Recorder of said County.

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note secured by said Deed, to-wit: \$2073.87, with interest from January 1, 1935, as in said note provided, advances, if any, under the terms of said Deed; fees, charges and expenses of the Trustee and of the trustee created by said Deed.

WHEREAS, said City of Torrance is desirous of establishing a free municipal library for said City of Torrance in accordance with the provisions of Act 2746, during the Session of the State of California, Stat. 1901, p. 557, now, therefore, be it

ORDAINED by the City Council of the City of Torrance, as follows:
Section 1. That a free library be and the same is hereby established for said City of Torrance, California, a municipal corporation, in accordance with the provisions of said Act and that said library shall be forever free to the inhabitants and non-resident taxpayers of said City, subject always to the rules, regulations and by-laws which may be established by the Board of Library Trustees and subject to the provisions of said Act, as amended.

Section 2. That this ordinance, when effective immediately, shall have the effect of immediately preserving the public peace, health and/or safety and demanding it. The facts constituting such urgency are as follows: The City of Torrance withdrew from the Los Angeles County, California, free public library system on August 14, 1935. This ordinance, when effective, will establish a free public library for the City of Torrance. In order to pay the expense of operation of said free public library, it will be necessary to establish a tax rate for the fiscal year 1935-36, on all taxable property in the City of Torrance. Such tax rate cannot be established as herein provided, and may be established not later than August 31, 1935, as the County of Los Angeles, California, collects all taxes for the City of Torrance and has demanded of said City that such tax rate and all other tax rates be established by said date and that said County be informed thereof by that time. If said tax rate is not established by the aforesaid date, said public library for the City of Torrance cannot be opened for one year from July 1, 1935, as there will be no means of operating the same. The failure to open said library for one year will jeopardize the preservation of the public peace, health and safety.

Section 3. The City Clerk shall certify to the passage and adoption of this ordinance by said City Council, and shall cause the same to be published by one insertion in the Torrance Herald, a weekly newspaper of general circulation, published and circulated in the City of Torrance, and thereupon and thereafter the same shall be in full force and effect.

Passed and adopted by the City Council of the City of Torrance, signed and approved by the Mayor of said City, and attested by the City Clerk of said City, this 20th day of August, 1935.

SCOTT R. LUDLOW, Mayor of the City of Torrance.

Free Insurance Is Maintained For Employes of Safeway Stores

Dedicated to the social and economic welfare of its employes and their dependents, Safeway Stores, Inc., today announced that during the past two and one half years it has presented free to 17,319 workers a total of \$17,731,319 in insurance as part of its policy of personnel development.

O. L. Stone, personnel manager for Safeway, in his annual report made public today, said that this insurance on which the company pays all annual premiums is but a link in its expanding program for the benefit of all employes.

Better Business
"Recognizing the satisfied employes, like satisfied customers, make for better business and an improved standard of living," Safeway Stores two and one-half years ago co-operated with its workers in the creation of the Safeway Employes' Association to promote the interests of its personnel," Stone said.

Through this association the employes receive their insurance, and an opportunity to obtain additional insurance protection according to their income, and participate to a greater degree in civic, recreational and benevolent activities.

The association, Stone explained, is formed by districts in 22 states, and effects a closer affiliation of all employes. Who, through the organization themselves, through the election of their own officers.

Opportunity Offered
"Safeway probably comes nearer being a mutual organization than any other business concern, because it pays good wages, shares its profits with its employes, offers many opportunities for advancement and furnishes all of them with free life, accident and health insurance," Stone continued in his report.

His statement further showed that in addition to the \$17,731,319 in free insurance, the employes had also obtained through their association extra insurance totaling \$23,215,500, bringing the insurance coverage for employes to a total of \$89,976,819.

Safeway employes since the formation of the association, Stone announced, also expended \$171,365.78 for social, athletic and educational activities; received \$410,854.92 in insurance claims; \$181,182.21 in loans; and \$21,184.18 in donations through the association.

The Safeway Employes Association, voluntarily maintained by and for the workers themselves through membership contributions of 25 cents each week, reported it had in the treasury a total of \$228,848.98 for further civic, social, athletic and benevolent activities.

"Surely here is a personnel policy which means more than satisfied employes—it means protection for workers and their families, civic betterment through a higher type of citizenship, which in turn means constantly improving service to the American public which we so earnestly strive to serve," Stone concluded.

CHURCHES OF CHRIST, SCIENTIST
"Who hath known the mind of the Lord, that he may instruct him? But we have the mind of Christ." These words of Paul to the Corinthians are the Golden Text in the Lesson-Sermon on "Mind" on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.
The Lesson-Sermon presents also these words of Paul to the Romans: "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God."
Among the correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy are the statements: "The necessity for uplifting the race is father to the fact that Mind can do it; for Mind can impart purity instead of impurity, strength instead of weakness, and health instead of disease. Truth is an alternative in the entire system, and can make it 'every whit whole'."
